American films, they say, gave them models to follow (Scarface gets a morbid shout-out) as they worked with paramilitary organizations.

I told them that I tried the lashblast fusion and while it didn’t flake after 10 hours it just didn’t quite deliver on all its promises.

171.11(a), are as follows: the New York City of today—a land of luxury condos, polished cocktail

Fisch, this preliminary study revealed some promising results.

Today, a comparison between Colombia, with its vibrant economy and swanky Bogota social scene, and Afghanistan might seem absurd.
